21 September 2016

Dear Parent/Carer

English, Maths and Science Information Evening – Thursday 29th September 2016.

We would like to invite you to join us for a Year 11 English, Maths and Science information evening on **Thursday 29 September 2016 at 5:00 p.m. until 6:45p.m**. The aim of the evening will be to explore ways in which we can offer support for your child to ensure they achieve the best possible grade in their forthcoming exams.

The event will provide advice on how to guide and encourage your child and also to share the best ways to provide support for them at this critical time. Your child will be given revision packs, which we would like them to engage with as soon as possible. Revision and independent work at home, as well as school, increases your child's chance of achieving their full potential.

You will have the chance to discuss any concerns you may have with your child's class teacher, the Heads of English, Maths and Science and the Year 11 Learning Manager. To help the evening along we will be providing **fish and chips from 5:15p.m**. We hope that the evening will be an enjoyable and relaxed event and we will be delighted if you can join us.

I would be grateful if you could complete the reply slip below to confirm your attendance.

Yours sincerely

Mr Iain Bone	Mrs Lara Southall	Mrs Christina McGhie
Head of Maths	Head of English	Head of Science
